We are one of the leading manufacturer, supplier, exporter and importer of wide range of healthcare equipments, home appliances, home furnishings and household items. These products can be availed at reasonable prices.

Profile

Kawachi Group is leading importer, supplier, manufacturer and exporter of wide variety of products. We are basically engaged in marketing and promotion of household products, fitness products, home healthcare equipment and home appliances. The marketing and promotion of these products are basically done through television and print media.

We were established in year **1992** under the Partnership Firm Registered under Indian Partnership Act 1932 in Mumbai. We have 11-25 dedicated employees who are continuously working hard to achieve maximum customer satisfactions. To look after the sales of Vidarbha and Marathwada, we have opened our branch office in Nagpur in 1994.

We offer our services to both Indian and over client at affordable market price without compromising on our quality. We believe in maximum sales minimum profit a phenomenon that is highly appreciated by our clients. We are operating under the leadership of **Mr. Ajay Jogleker**, who is the major shareholder of our firm. We promote a wide assortment of products, which includes health care equipment, electrical & electronic items, home appliances, household items and home furnishings. We have annual turnover of US\$ 400 K - 1 Mn Approx owing to our superior services at low price. **We have our esteemed clients from China.**
